Looking forward to reaching new heights

BY DR. CHUCK GARNER
SUPERINTENDENT

I am excited about the upcoming 2019-20 school year in the Gasconade County R-2 School District. The district has been gearing up for the challenges of a new school year and is ready to go. There is no doubt our students, staff, and community will meet all challenges with Dutchmen Pride! Last year saw unprecedented successes and I am looking forward to reaching even newer heights! We have countless visitors to our district and I hear the same response from all of them. They are impressed with our students. They are respectful, dedicated, and competitive. This is a direct reflection of the dedication and commitment from parents, grandparents, and family members! Visitors are impressed with our staff. They are dedicated individuals who are committed to the students, district, and community. The staff takes pride in their profession and understands

how they are an integral part of the professional community. Visitors are impressed with our facilities. They continually say how it demonstrates the pride and commitment of the community.

Our maintenance staff has done a great job getting our buildings ready for the school year. We are proud of our facilities and maintaining them is an ongoing job. The district completed several projects including parking lot sealing, tuck pointing and sealing bricks, new buses, security upgrades including additional cameras, door replacements, concrete work, a new website and app, upgrades to technology, along with the normal painting, repair, cleaning, and maintenance which keep our staff very busy.

The board approved the student participation fee for the 2019-20 school year. All students participating in MSHSAA sanctioned activities and athletics for grades 7-12, will be charged a \$25 fee for the year. This fee can be paid to the office in which the student attends. The fee will cover all activities or athletic events sponsored by Missouri State High School Activities

Association for the entire school year, no matter how many activities a student chooses. Those activities include: baseball, basketball, cheerleading, color guard, cross country, dance team, football, golf, music activities, speech/debate, Scholar Bowl, soccer, softball, track, volleyball, and wrestling.

The district launched a new website and app which I encourage you to visit and download. Many notifications will be sent via this app that is free to download. The site will allow for emergency notification, integrated calendars along with news and announcements. It is the district's goal to continually

improve communication with all stakeholders.

The district communities' support continues to be strong and one the district does not take for granted. Many visitors have commented about how our communities show support and pride in their schools. So, for that commitment and support, thank you. We are proud of the job we do and feel a strong sense of pride in our communities, as well. The Orange and Black continue to be leaders in the area, state, and nation, and strive to improve every day. We encourage parents and patrons to attend the many activities hosted in each

building every year. You will find dedicated students, coaches, teachers, and sponsors working hard to perform at very high levels. It doesn't matter if it is in athletics, academics, fine arts, or the practical arts, you will find the tradition of Dutchmen Pride!

Mikhail Baryshnikov, considered one of the greatest ballet dancers, was quoted, "I do not try to dance better than anyone else. I only try to dance better than myself." What a great motto for all of us, to grow every day! As the community and school partner together our students will continue to grow. Have a great school year!

Route 29 Mike LeClaire Special Education/Anaconda

Route 30 Jacinta Wehmeyer Early Childhood/Special Education (Owensville AM/PM Only)

Many exciting things happening at OHS

BY KRIS ALTEMEYER
OHS PRINCIPAL

Hello from OHS! There are many exciting things happening in our community and school district and we are excited to get started with the 2019-20 school year.

We will be having an open house Aug. 7 from 11 a.m. to 6 p.m. This is intended primarily for incoming

freshmen, but anybody is welcome to attend. Students can visit their classes, pay their activity fee, locate their locker and start to learn their teachers' names. This is a come-as-you-can activity with no group meeting so please come visit us at your convenience. There will also be a meeting for all athletes planning to play any sport this year and their parents Aug. 11 at 5 p.m.

The 2019-20 school year finds very few changes in procedures for parents and students. If your student is riding a bus, they report to the commons after school to be called by bus rounds. If you are picking

them up, please do so in the back of the building. If you drop them off in the morning, please drop them off in the front. Students who drive may purchase their parking spaces starting Aug. 5. You will need a parent signature on the form so you may want to pick it up before that date.

We are adding a few new faces to our staff this year. Becky Lorey will be joining us as a math teacher, Kaliey O'Neal as a special education teacher, Steven Kemp as a paraprofessional, and Madeline Havelka will be returning to OHS as our new art teacher. In addition,

we will have a couple of familiar faces stepping into new roles. John Bunch is coming over from OMS to be our new assistant principal, Ryan Okenfuss is moving into the Activities Director/A+ Coordinator position, and Dina Schoenfeld is coming to us from OES to teach special education as well. They are all looking forward to getting the new year started, and we are thrilled to have them join our team.

Finally, we are all excited about the new baseball/softball field on our campus. The opening softball game is scheduled for September 5th. We'd love for you to come

and check out the field and support our Dutchgirls! Our volleyball and cross country teams open up their seasons Sept. 3 and our first home football game (and first tailgater) is set for Aug. 30. Stop by and grab some food before the game and then stay to cheer on the Dutchmen as they take on Potosi.

If you have any questions please feel free to contact the high school office at 437-2174. Enjoy the last part of your summer and we look forward to seeing you soon!

Our goal: Assist in the success of your child's education

BY DR. JERI K. HARDY
ASSISTANT SUPERINTENDENT

Dear Parents, Students, and Community Members:

Another school year is approaching and this is an exciting time at

Gasconade County R-2. What a great opportunity to begin each year watching students as they either begin or continue their journey in education. Our faculty and staff are committed to making students experience in our schools memorable. It is such an honor to witness the growth and development of our students. Of course this couldn't be accomplished without the support of great parents, an amazing staff and an awesome community.

I am thankful to have a community which goes above and beyond to provide support for our schools and the young minds we are shaping every day. As we all know relationships are vital to the success of our students. Students have experienced the first-hand knowledge of community support and outpouring in previous school years. I am sure they will continue to appreciate all of the support given by parents, businesses, and community organizations.

The Gasconade County R-2 District is committed to putting students first. We understand it is a great honor for you to allow us to teach your children. Partnerships with parents are very important. If you ever have any questions or concerns, please contact your child's teachers. Keeping the lines of communication open is critical to the success of kids.

One of our goals is to continually bring students an academic experi-

ence which is both rewarding and challenging. When students leave the doors at Owensville High School we want them to be prepared for their next life experience. Students learn at different levels and the Gasconade County R-2 Staff will continue to focus on individual student learning in order to meet the needs of each student. This will ensure the academic success of the students in our District.

Student success remains our highest priority, and we will continue to align resources to ensure success for every student as measured by state, and national standards of academic performance. Students will strive to achieve higher levels when they have a strong support system. It is all of our responsibility to provide the support our students need. Our students have received many awards and accomplishments in previous years and I believe that was just the beginning. With high quality education our students are able to do whatever they wish as long as they work together and establish a vision.

We invite you to browse our Web site at dutchmen.us and learn more about the Gasconade County R-2 School District. Gasconade County R-2 remains committed to the goal of high standards and achievement for all students. We will continue to strive and excel as every decision is based on the simple question, "What is best for our students?"

Thank you for your continued support of Gasconade County R-2 School District and the students we serve. We look forward to working with you in the coming months as we work together to fulfill motto: *TRADITION - PRIDE - EXCELLENCE* "Dutchmen Strong"

As we begin this school year I wish the greatest success for all of our students and staff.

OHS student parking

OHS students will again be expected to have a parking hang tag displayed from the rear view mirror of their vehicle. We will have new tags this year. The cost of the hang tag is \$10.00. The revenue generated from the hang tags will be used to help off-set the cost of repairs and maintenance to the high school parking lot. The parking tag is also used to identify which vehicle belongs to which student and the tag number will match the parking spot number. The students must remember to display their tags on a daily basis. This is important when needing to contact the students because of a problem with their vehicle such as the vehicle has a flat tire or the lights are left on. Most of the area's other high schools charge a fee for their students to use their parking lots. The \$10.00 charge for our OHS students will still be one of the lowest in our conference.

Today's Topic: Bus Safety

Safety at school is a very important subject. Review these helpful tips for an A+ performance!

- ✓ Hold the handrail while going up and down the bus stairs. Sit down immediately and stay seated until the bus comes to a complete stop at your school.
- ✓ Speak quietly on the bus, so you don't distract the driver. Keep your feet and your belongings out of the aisles.
- ✓ When you get off the bus, always cross the street a few feet in front of the bus, so the driver can easily see you. Never go behind the bus!

OMS is the very best place to be

BY TERESA SCHULTE
OMS PRINCIPAL
AND KEN HUNOTT
OMS ASSISTANT PRINCIPAL

Welcome to Owensville Middle School! We are looking forward to a year of achieving goals and being kind with our hearts! We are excited to fill our halls with our students. OMS is the very best place to be! Our staff loves kids and wants to provide the very best educational experience possible. We want our students to have positive relationships with each other and the staff. We have high expectations at OMS that includes working hard, achieving goals, and showing that stu-

dents who are responsible citizens achieve positive outcomes.

We would like to invite you to your open house Aug. 7. It begins at 11:00 a.m. and concludes at 6:00 p.m. Students are welcome to bring their supplies, meet their teachers, get their locker number, and visit the school. This is a time for parents to fill out paperwork, meet the teachers, pay lunch money, bring in medications, and talk to transportation and our school nurse.

An exciting after school opportunity this year will be free guitar lessons on Wednesdays. Your student does not have to have a guitar. Robotics will also be something new this year. We will also have after-school tutoring. Please be looking for details to come home with your students and on our website.

Athletics will be having a back to school meeting Sunday, Aug. 11 at 5 p.m. You are encouraged to attend with your athlete if he/she will be participating in any athletics this year. If your athlete participated in athletics last year, as a seventh grader, they will not be required to get a new physical. Incoming

seventh graders, however, will be required to get a physical. Physicals are now good for two years. If you have questions about athletics please contact Ryan Okenfuss, Athletics/Activities Director at OHS. His email is rokenfuss@dutchmen.us. Cross Country practices will begin Aug. 14.

Please support our Parent Organization; PACCT. (Patience, Acceptance, Caring, Control, Tolerance) because our students need you! They have been able to offer former students scholarships and provide many different activities for our students. Please look for the information during open house or contact the school office.

Students will be permitted into the building at 7:30 a.m.; our first round dismissal time is 3:20 p.m. Parent drop off is in the front of the building and the bus loading zone is in the back. All exterior and interior doors will be locked for the duration of the school day. Visitors will be allowed into the building through the front door via an intercom/video system from 8:20 a.m. through 3:20 p.m. We appreciate your understanding as

we provide the safest environment for our students and staff.

Stores and newspapers across our area have begun their "Back to School" promotions. Supply lists have been sent to the local stores. You can also access the list if you go to teacherlists.com. They will also be available in the orientation packet distributed at our open house. Tax free weekend will be Aug. 2-4. Before shopping for school clothes, please consider our dress code. No shorts that are too short, no tank tops or spaghetti straps and no bellies should be displayed. You can refer to the handbook for more details.

Follow us on Facebook at www.facebook.com/Owensville-Middle-School-765376446837240/?ref=bookmarks. Our website is www.dutchmen.us. These links will help you to get the most up to date information regarding our school.

As a parent, your knowledge and input is vital to your child's success. We thank you for being the most important person in your child's life and for sharing them with us. Looking forward to a great year!

OMS SUPPLY LIST 2019-20

Sixth Grade

- 1 Large (2" - 3") three ring binder with zipper
- 1 pkg. of hard plastic dividers with pockets
- 1 - 70 page spiral notebook (Social Studies)
- 1 - 100 page spiral notebook w/ plastic cover for durability (Math)
- 1-3 subject notebook (English Language Arts)
- 1 plastic pouch that fits into the binder to hold pens, pencils, etc.
- 1 box colored pencils or markers
- Scissors
- Glue sticks
- 1 pkg. of 10 red ink pens
- 1 - set of earbuds to stay at school - if lost or broken parents need to replace or we sell them for \$1
- 3 dozen pencils (mechanical or #2, community*)
- 2 pkg. loose leaf notebook paper (community*)
- 2 boxes of facial tissue (community*)
- 1 container of Clorox wipes (community*)
- Scenic Regional Library Card (if you have questions on how to apply please see Mrs. Greenwalt in the OMS Library)

Optional

- 4 function calculator

Art Supplies

(Band and Choir students do not need these)

- 1 Sketchbook or spiral notebook (approximately 9x12)
- Eraser
- Pencils

Seventh Grade

- 1 set of earbuds to leave at school
- 1 pouch that holds pens/pencils, etc.

* Community items will be given to your Homebase teacher and kept in the classroom to be used by all of sixth grade. This helps us quickly replace pencils and paper as needed throughout the school year and provide for the health needs of each other.

** No wheeled or hiking backpacks (they won't fit in the lockers)
Parents: Please check and replenish supplies through-out the year!

Ready for a great year

BY JENNIFER HALL
GES PRINCIPAL

The time is near for all of our awesome students at GES to return! In just a few weeks, the buses will be dropping off

students ready for another great school year.

We want to celebrate that our school was recognized with Silver Level Achievement through our PBS implementation. This is a great honor and involves all of our students and staff. We also want to give a big shout out to our students

and staff on making 12% growth on their iReady ELA scores from last year to this year and 5% growth on their math iReady scores. These two items are part of our building goals and were big achievement and a lot of hard work. GES is a great place for kids, we work hard to celebrate accomplishments with

our students and staff.

I want to invite all of our K-5 parents and students to open house which will be Thursday, Aug. 8 from 5-7 p.m. Parents and students may meet their teachers, listen to expectations and drop off any supplies. The transportation department will also be here to assist with any transportation questions and transportation changes. The first day of school we spend much of our time checking the transportation information and getting this information out to teachers. If possible, please have your children ride the bus to school the first day. This helps us in determining the proper bus for your child to ride home.

attend their open house before or after pre-school orientation.

Students and parents will receive the following information at the open house or the first day of school if you are unable to attend open house: Parent-Student Handbook, technology agreements, insurance applications, lunch applications, materials and supplies needed for the new year, and other information concerning the upcoming school year. Parents please read over the handbook with your child.

We have one staff changes this year. Shane Hunt will be our new PE teacher, he is returning to us after being in the Middle School as a special education teacher. We

have a great group of new teachers that I am excited to introduce to our students!

If you have children who have not enrolled, please come to the elementary

school office by Wednesday, Aug. 7. Please bring your child's immunization record, birth certificate, and proof of residency and Social Security card when you register. Looking forward to seeing all of our students back in school on our first day, Aug. 14!

GES K-5 Open House: August 8, 5-7 p.m.
Pre-School Open House: August 12, 6 p.m.

Pre-school parent orientation and open house will be on Monday, Aug. 12, at 6 p.m. in the cafeteria. Orientation should not take more than 15 minutes. Following the orientation, we will move into open house at this time if you have students in other grades in our building you will be able to

District in compliance with Federal regulations

We are taking this opportunity to make you aware that your school district is in compliance with Federal regulations concerning asbestos containing materials including inspections and reinspections.

On October 22, 1986, President Reagan signed into law the asbestos Hazard Emergency Response Act (AHERA, Public Law 99-519). The law required EPA to develop regulations which provide a comprehensive framework for addressing asbestos problems in public and private elementary and secondary schools. On October 30, 1987, EPA published the Asbestos Containing Materials in Schools Rule [40 CFR Part 763 Subpart E}. This New Rule requires all public and private elementary and secondary schools to inspect for friable and non-friable asbestos develop asbestos management plans that address asbestos hazards in school buildings, and implement response actions in a timely fashion. This rule became effective December 14, 1987. The Gasconade County R-II School District conducted a complete, required, three year inspection of its facilities on July 25, 2012, utilizing the services of MEAD Environmental Associates, Inc. The results of this inspection have been included in a management plan. This management plan is available in the administrative office during normal business hours, without cost or restriction, for inspection by representatives of the EPA and State, the public, including teachers, other school personnel and the representatives, and parents. If copies are requested, a duplication fee to offset time and materials will be charged.

You, as a parent, are encouraged to examine the contents and recommendations of the management plan. The purpose of the plan and Federal and State regulations is to protect the health and well-being of all persons entering the buildings of our school district for any reason. This school district takes very seriously the recommendations made in the management plan, which has been sent to the State for approval.

COMPLETE BACK-TO-SCHOOL VISION CARE

OWENSVILLE FAMILY EYE CARE

A MEMBER OF VISION SOURCE

531 E. Washington | Owensville, Missouri | (573) 437-8004

Vision and learning go hand in hand, and poor vision can directly affect a student's classroom performance, behavior, development and coordination. Fortunately, most childhood eye conditions can be easily treated and corrected when detected early, which is why a comprehensive eye exam should be on every child's back-to-school list. Routine vision screenings miss more than 30 percent of eye and vision problems, so be sure to book an appointment with an ophthalmologist today to ensure your child is prepared for a successful school year.

GES SUPPLY LIST 2019-20

Gasconade County R-2 medication policy

The Gasconade R-2 School medication policy requires all-prescription medications have a written physicians order form be completed by the prescribing physician. These order forms may be obtained from the school nurse or, the physician may write out an order, which must include the following information: name of student, name of medication, dosing instructions, (that is the amount to be given, route of administration, frequency to be given), the length of time student will be taking medication, possible side effects, and the diagnosis for which the medication is prescribed. Either form may be brought in to the nurse, or faxed to the nurse, (see individual school fax numbers).

Over the counter medications do not need a written physicians order, but will require a written note from the parent/guardian giving the school nurse permission to dispense the medication. If a student uses an over the counter medication on a frequent basis the parent/guardian will be contacted, as there may be a need for follow up with their physician, and an order for continued use of the over the counter medication.

All medications, prescribed and/or OTC must be transported to and from school by the parent, guardian, or designated adult. Students are not to carry meds

to and from school, and are not to carry meds on them. Medications are to be kept in the nurses' office. The only exception to this is for those students who must carry their inhaler, an epi-pen, or some forms of insulin therapy. For these students forms by both the parent and physician will need to be completed. These forms are available from the nurse.

The school nurse may dispense meds with a physician order, and meds must be in compliance with guidelines set form in the PDR.

A parent, guardian, or designated adult may come to school and give their son/daughter medication.

The school nurse will not give the first dose of a new medication (a med the student has not taken before). Parents/Guardians are requested not to give the first time dose of a new med and then send the student to school. This is due to the potential for side effects. The school nurse has the right to refuse to give medications if not in compliance with guidelines set forth by the District, state, or PDR.

Please keep the school nurse informed of any changes in medication, (school and/or at home medications).

If you have questions regarding medications, or the policies, please contact the school nurse at your son's or daughter's school.

Dutchmen Proud, Dutchmen Strong

BY DR. SCOTT DAVIDSON
OES PRINCIPAL

Welcome to Owensville Elementary (OES)! While I hope you are enjoying your summer break, the first day of school is just around the corner on Aug. 14. Our building and grounds are looking great with the efforts of our maintenance and custodial crews. We also have several new staff joining us this year who bring enthusiasm and diverse experiences to help meet the needs of our students, as well as some staff moving positions.

These individuals include: Megan Shockley kindergarten, Stephanie Sullentrup moving to first grade, Gwen LeRoy third grade, Brooklyn Stoll third grade, Molly Munsinger second and third grade special education, Tina Herndon fourth grade special education, Kenda Stockton moving to fourth grade from GES, Karen Rohlfing moving to fifth grade, Lea Uthe fourth grade paraprofessional, Katie Collins and Erin Steen personal aides, and Cailley Bausch art.

We will have our open house Aug. 8, from 5-7 p.m. for Pre K-5 grade. Students who attend Pre K in the morning will have their open house at 5 p.m. Students who attend Pre K in the afternoon will have their open house at 6 p.m. We ask that Pre K students enter the building on the south entrance as

we will have K-5 grade students entering the building through the main entrance. K-5 grade open house will be from 5-7 p.m. During the open house students will meet their teachers and get familiar with the school. A representative from our transportation department will also be available to answer any questions you may have that evening.

Students, parents, and guardians will receive information regarding the Parent-Student Handbook, insurance applications, lunch applications, transportation services, and other information concerning the upcoming school year. Please make sure to read over the handbook with your child. If you have children who have not enrolled, come to the elementary school office by Aug. 6. You will

need to bring your child's immunization record, birth certificate, proof of residency, and Social Security card when you register.

We had an amazing year last year! Looking at our school data, our attendance was up from the year before and our office referrals were down. I am very proud to report that with the hard work and commitment of our staff and students, our students grew 4.2% in reading and 6.2% in math with our local assessment data. To put this in perspective, our state uses 3-5% growth as a general rule. We also received Silver Level Positive Behavioral Interventions and Supports recognition.

Looking toward the 2019-20 school year we have several things in store. Our building grade levels have been reorganized to make the

building more student friendly. We have a new primary playground (paid for by PATT). We received a grant to plant 20 apple trees this fall. Second grade will be one-to-one with Chromebooks. We are starting a fourth and fifth grade robotics club through Lego League Jr. Teachers will continue to fine-tune curricula and instructional practices to carry on academic growth and success!

Our entire staff is committed to excellence to ensure our students have the best experience possible in 2019-20! Please do not hesitate to reach out to me if you have any questions or concerns, or if you see a way to better serve our students. We are looking forward to seeing you back at school for another amazing year! We are Dutchmen Proud, Dutchmen Strong at OES!

Public notice: Surrogate parent announcement

All public schools are required to provide a free and appropriate public education to all students with disabilities, including those attending private/parochial schools, beginning on the child's third birthday to age twenty-one (21), regardless of the child's disability. Disabilities include: Autism, Mental Retardation, Hearing Impaired or Deafness, Speech or Language Impairment, Visual Impairment or Blindness, Emotional Disturbance, Orthopedic Impairment, Traumatic Brain Injury, Other Health Impaired, Specific Learning Disability, Deaf Blindness, Multiple Disabilities, or Young Child with a Developmental Delay.

The public schools assures that it will provide information and referral services necessary to assist the State in the implementation of early intervention services for infants and toddlers eligible for the Missouri's First Steps Program.

All public schools are required to provide parents the right to inspect and review personally identifiable information collected and used or maintained by the district relating to their children. Parents have the right to request amendment of these records if they feel the information is inaccurate, misleading, or violates the privacy or other rights of their children. Parents have the right to file complaints with the U.S. Department of Education or the Missouri Department of Elementary and

Secondary Education concerning alleged failures by the district to meet the requirements of the Family Educational Rights and Privacy Act (FERPA). You may contact your local school district if you wish to review the requirements provided by FERPA.

The public school has developed a Local Compliance Plan for implementation of Special Education and this Plan is available for public review during regular school hours on days school is in session in the Office of the Superintendent of Schools. The Local Compliance Plan is a written narrative which describes the district's plan for compliance with the requirements for identifying and serving all students with disabilities. Included in this plan are the policies and procedures which the district must follow regarding storage, disclosure to third parties, retention, and destruction of personally identifiable information. The plan also describes the assurances that services are provided in compliance with the requirement of 34 CFR 76.301 of the General Education Provision Act.

Public schools in the State of Missouri are required to conduct an annual census of all children with disabilities or suspected disabilities from birth to age twenty-one (21) who reside in the district or whose parent/legal guardian resides in the district. This census is compiled as of Dec. 1 of each year. This information is treated as confidential

and submitted to the Missouri Department of Elementary and Secondary Education. Information to be collected includes: name of each child, parent/legal guardian's name/address; birth date and age of each child; and each child's disability or suspected disability.

Should the district fail to submit an annual census, the State Board of Education may withhold state aid until the census is submitted.

Pursuant to the requirements of state law 162.997-999 RsMO, the State Board of Education is required to appoint a surrogate

parent at such time as it becomes evident that a child with a disability does not have a parent or a person acting as a parent to participate in matters dealing with the provision of special education. For purposes

Sourrogate • From page 8B

of surrogate parent appointment, A parent is defined as a biological parent, a guardian, or a person acting as a parent of a child including, but not limited to, a grandparent, step parent, or a foster parent with whom the child lives. The term does not include the State if the child is a ward of the State. The term does not include a person whose parental rights have been terminated.

The local school district is given the responsibility to determine when a child with a disability who requires special education and who resides in the District is without a parent. The District must notify the Missouri Department of Elementary and Secondary Education of the need to appoint a surrogate parent. Training for such persons serving as surrogate parents will be provided by the Missouri Department of Elementary and Secondary Education and the district.

This notice can be provided in languages such as Chinese, Spanish, Arabic, and Vietnamese or any other language as may be necessary.

If you have a child with a disability or know of a child with a disability who is not attending the public school; or, if you are interested in learning more about volunteering to serve as a surrogate parent for a child with a disability you may contact your school district's Director of Special Education at 573-437-5171.

2019-2020 Missouri School Immunization Requirements

• All students must present documentation of up-to-date immunization status, including month, day, and year of each immunization before attending school.

• The Advisory Committee on Immunization Practices (ACIP) allows a 4-day grace period. Students in all grade levels may receive immunizations up to four days before

the due date.

• Required immunizations should be administered according to the current Advisory Committee on Immunization Practices Schedule, including all spacing, (<http://www.cdc.gov/vaccines/schedules/index.html>).

• To remain in school, students “in progress” must have an Im-

munization In Progress form (Imm.P.14) on file. In progress means that a child has begun the vaccine series and has an appointment for the next dose. This appointment must be kept and an updated record provided to the school. If the appointment is not kept, the child is no longer in progress and is noncompliant. (i.e.,

Hep B vaccine series was started but the child is not yet eligible to receive the next dose in the series.)

• Religious (Imm.P.11A) and Medical (Imm.P.12) exemptions are allowed. The appropriate

exemption card must be on file. Unimmunized children are subject to exclusion from school when outbreaks of vaccine-preventable diseases occur.

Vaccines Required for School Attendance	Dose Required by Grade												
	K	1	2	3	4	5	6	7	8	9	10	11	12
DTaP/DTP/DT ¹	4+	4+	4+	4+	4+	4+	4+	4+	4+	4+	4+	4+	4+
Tdap ²									1	1	1	1	1
MCV ³ (Meningococcal Conjugate)									1	1	1	1	2
IPV (Polio) ⁴	3+	3+	3+	3+	3+	3+	3+	3+	3+	3+	3+	3+	3+
MMR ⁵	2	2	2	2	2	2	2	2	2	2	2	2	2
Hepatitis B ⁶	3+	3+	3+	3+	3+	3+	3+	3+	3+	3+	3+	3+	3+
Varicella ⁷	2	2	2	2	2	2	2	2	2	2	1	1	1

1. Last dose on or after the fourth birthday and the last dose of pediatric pertussis before the seventh birthday. Maximum needed: six doses.

2. 8-12 Grades: Tdap, which contains pertussis vaccine, is required.

3. Grade 8-11: One dose of MCV is required. Dose must be given after 10 years of age.

Grade 12: Two doses of MCV are required unless the first dose was administered to a student who was 16 years of age or older, in which case only one dose is required. At least one dose must be given after 16 years of age.

4. Kindergarten-9 Grade: Last dose must be administered on or after the fourth birthday. The interval between the next- to-last and last dose should be at least six months.

10-12 Grades: Last dose on or after the fourth birthday. Any combination of four doses of IPV and OPV constitutes a complete series. Maximum needed: four doses.

5. First dose must be given on or after twelve months of age.

6. There must be at least four weeks between dose one and two; at least 8 weeks between dose two and three; at least 16 weeks between doses one and three and final dose must be given no earlier than 24

weeks of age.

7. First dose must be given on or after twelve months of age.

Kindergarten-9 Grade: As satisfactory evidence of disease, a licensed health care provider may sign and place on file with the school a written statement documenting the month and year of previous varicella (chickenpox) disease.

10-12 Grades: As satisfactory evidence of disease, a parent/guardian or MD or DO may sign and place on file with the school a written statement documenting the month and year of previous varicella (chickenpox) disease.

NOTIFICATION OF DESTRUCTION OF STUDENT SPECIAL EDUCATION RECORDS

In accordance with the state and federal regulations implementing the Individuals with Disabilities Education Act (IDEA), this is to inform you of our intent to destroy personally identifiable information related to special education service

The school is required to maintain records for a minimum of three (3) years from the date a child no longer received special education and related services. If your child has received Special Education services and you would like to maintain a copy of his/her records, please contact Linda Rasmussen at the Special Education Department at 573-437-5171 before September 6, 2019.

Please be advised that the records may be needed by the student or the parent(s) for social security benefits or other purposes.

RECORDS TO BE DESTROYED ARE AS FOLLOWS:

- Individualized Education Programs (IEPs)
- Evaluation Reports
- Test Protocols
- Notifications of Meetings
- Notices of Action
- Review of Existing Data Summaries
- All other personally identifiable information within the Special Education file*

Robi Pennock,
Director of Special Education Services

Complaint Procedures

The following information is regarding the Missouri Department of Elementary and Secondary Education, Every Student Succeeds Act of 2015 (ESSA) and explains how to file a complaint about any of the programs that are administered by the Missouri Department of Elementary and Secondary Education (the Department) under the Every Student Succeeds Act of 2015 (ESSA).

General Information:

1. What is a complaint?

For these purposes, a complaint is a written allegation that a local education agency (LEA) or the Missouri Department of Elementary and Secondary Education (the Department) has violated a federal statute or regulation that applies to a program under ESSA.

2. Who may file a complaint?

Any individual or organization may file a complaint.

3. How can a complaint be filed?

Complaints can be filed with the LEA or with the Department.

Complaints filed with LEA:

4. How will a complaint filed with the LEA be investigated?

Complaints filed with the LEA are to be investigated and attempted to be resolved according to the locally developed and adopted procedures.

5. What happens if a complaint is not resolved at the local level (LEA)?

A complaint not resolved at the local level may be appealed to the Department.

1 Programs include Title I, A, B, C, D, Title II, Title III, Title IV.A, Title V Revised 4/17 2 In compliance with ESSA Title VIII- Part C. Sec. 8304(a)(3)(C)

Local education agencies are required to disseminate, free of charge, this information regarding ESSA complaint procedures to parents of students and appropriate private school officials or representatives.

Complaints filed with the Department:

6. How can a complaint be filed with the Department?

A complaint filed with the Department must be a written, signed statement that includes:

- A statement that a requirement that applies to an ESSA program has been violated by the LEA or the Department, and
- The facts on which the statement is based and the specific requirement allegedly violated.

7. How will a complaint filed with the Department be investigated?

The investigation and complaint resolution proceedings will be completed within a time limit of forty-five calendar days. That time limit can be extended by the agreement of all parties. The following activities will occur in the investigation:

- Record. A written record of the investigation will be kept.
- Notification of LEA. The LEA will be notified of the complaint within five days of the complaint being filed.
- Resolution at LEA. The LEA will then initiate its local complaint procedures in an effort to first resolve the complaint at the local level.
- Report by LEA. Within thirty-five days of the complaint being filed, the LEA will submit a written summary of the LEA investigation and complaint resolution. This report is considered public record and may be made available to parents, teachers, and other members of the

general public.

• **Verification.** Within five days of receiving the written summary of a complaint resolution, the Department will verify the resolution of the complaint through an on-site visit, letter, or telephone call(s).

• **Appeal.** The complainant or the LEA may appeal the decision of the Department to the U.S. Department of Education.

8. How are complaints related to equitable services to nonpublic school children handled differently?

In addition to the procedures listed in number 7 above, complaints related to equitable services will also be filed with the U.S. Department of Education, and they will receive all information related to the investigation and resolution of the complaint. Also, appeals to the United States Department of Education must be filed no longer than thirty days following the Department's resolution of the complaint (or its failure to resolve the complaint).

Appeals:

9. How will appeals to the Department be investigated?

The Department will initiate an investigation within ten days, which will be concluded within thirty days from the day of the appeal. This investigation may be continued beyond the thirty day limit at the discretion of the Department. At the conclusion of the investigation, the Department will communicate the decision and reasons for the decision to the complainant and the LEA. Recommendations and details of the decision are to be implemented within fifteen days of the decision being delivered to the LEA.

10. What happens if a complaint is not resolved at the state level (the Department)?

The complainant or the LEA may appeal the decision of the Department to the United States Department of Education.

Notice of non-discrimination

Applicants for admission or employment, students, parents of elementary and secondary school students, employees, sources of referral and applicants for employment, and all professional organizations that have entered into agreements with Gasconade County R-II School District ("School District") are hereby notified that the School District does not discriminate on the basis of race, color, national origin, sex, age, or disability in admission or access to, or treatment or employment in, its programs and activities. In addition, the School District provides equal access to the Boy Scouts of America and other designated youth groups.

Any person having inquiries concerning the School District's compliance with the laws and regulations implementing Title VI of the Civil Rights Act of 1964 (Title VI), Title IX of the Education Amendments of 1972 (Title IX), the Age Discrimination Act, Section 504 of the Rehabilitation Act of 1973 (Section 504), Title II of the Americans with Disabilities Act of 1990 (ADA) or the Boy Scouts of America Equal Access Act is directed to the respective Compliance Coordinator listed below, who oversees the School District's efforts to comply with the laws and regulations implementing the laws and regulations cited above.

The School District has established grievance procedures for persons unable to resolve problems arising under the statutes above. The School District's Compliance Coordinator will provide information regarding those procedures upon request.

Any person who is unable to resolve a problem or grievance arising under any of the laws and regulations cited above may contact the Office for Civil Rights, Region VII, 8930 Ward Parkway, Suite 2037, Kansas City, Missouri 64114; telephone (816) 268-0550.

COMPLIANCE COORDINATOR

The Board designates the following individuals to act as the district's Title VI, Title IX, and age discrimination compliance officer:

Mrs. Bev Giebler, Compliance Officer, 3336 Hwy 19, Owensville, MO. 65066 (573) 437-2174 bgiebler@dutchmen.us

The district's Section 504 and Americans with Disabilities Act Compliance Officer:

Mrs. Robi Pennock, Director of Special Services, 3340 Hwy 19, Owensville, MO. 65066 (573) 437-5171 rpennock@dutchmen.us

In the event the compliance officers are unavailable or is the subject of a report that would otherwise be made to the compliance officer, reports should instead be directed to the acting compliance officer:

Dr. Jeri Kay Hardy, Asst. Superintendent, 402 East Lincoln, PO Box 536, Owensville, MO. 65066 (573) 437-2177, jhardy@dutchmen.us

Parentally placed private school children with disabilities

A meeting will take place August 23, 2019, at 10:00 a.m. at the Owensville Middle School for all families of parentally placed private school children who have, or are suspected of having a disability. Private school officials are also asked to attend this meeting. The purpose of the meeting is to discuss ways in which private school students can participate equitably and meaningfully in special education and related services, funding guidelines and limitations related to such services, and how and where such services can be provided.

Please contact Robi Pennock, Director of Special Education, at 573-437-5171 with any questions or comments.

We're proud of the students and parents who are looking forward to a new school year.

compliments of:

DAVID A. GROENKE AND STAFF
Gerald, MO Phone: 764-2111

AS YOU LOOK FOR SCHOOL SUPPLIES PLAN TO IMMUNIZE!

In addition to routine immunizations, The Academy of Pediatricians recommends that ALL school-age children have:

- ✓ 2 MMR's (Measles, Mumps, Rubella)
- ✓ 2 Varicella (Chickenpox)
- ✓ 2 Hepatitis "A"
- ✓ HPV (Human Papillomavirus)

Children entering 8th Grade:

- ✓ Tdap booster (Tetanus, Diphtheria and Pertussis)
- ✓ Meningococcal

Those entering Senior Year:

- ✓ Meningococcal

Contact your child's health care provider or the Gasconade County Health Dept. to make sure your child is ready for school.

Notification to access public insurance

Dear Parents/Guardians:

For a number of years, Missouri has participated in a federal program called Medicaid School-Based Services. The program helps school districts by providing partial reimbursement for some medically related services listed on a student's individualized educational program (IEP). Under the Individuals with Disabilities Education Act (IDEA), school districts are permitted to seek payment from public insurance programs such as Medicaid (called MO HealthNet in Missouri) for some IEP services provided at school.

Parents as teachers program

BY ROBI PENNOCK
DIRECTOR OF SPECIAL SERVICES

The Parents as Teachers (PAT) Program began in 1981 in Missouri as a way to provide the information,

support, and encouragement parents need to help their children grow and develop to their full potential during the early years of life. PAT educators believe that parents are their children's first and most influential teachers, and all young children and families deserve the same opportunities to succeed. Services typically provided by the PAT staff are free and include personal visits by certified parent educators, developmental screenings, and referrals to community resources and networks. Parent educators for the 2019-20 school year are Jessica Vandegriffe and a second parent educator is to be hired to replace retiree Ruth Rebmann. Jessica may be contacted by email at jvandegriffe@dutchmen.us. You may also contact the PAT staff by calling 573-437-5171. The program's focus is on providing screenings to all children and personal visits to high needs families. If you have any questions about the program, please don't hesitate to contact us. We look forward to working with the families and children of Gasconade County R-2 School District.

In 2013, the requirements under the IDEA changed to be less burdensome for parents/guardians and schools. Before a school district may access your public insurance for the first time and every year thereafter, school districts must provide parents/guardians with written notification. So what does that mean?

What will you be asked to do?

You will be asked to give your consent in writing one time to release information from your child's education records, including information about the services your child receives through the IEP. This information is being released for the purpose of billing MO HealthNet and seeking partial payment for some medically related IEP services under the IDEA.

What type of information will

be in the consent form?

The consent form must tell you the personally identifiable information that may be disclosed, such as your child's name, date of birth, Social Security number (if provided), Medicaid number or other identification, disability type, IEP and evaluations, types of services, times and dates of service, and progress notes. The consent form must also tell you the purpose of the disclosure (e.g., payment from MO HealthNet) and the agency that will get the information.

What does it mean if you give your consent?

By consenting, you state you understand and agree that your MO HealthNet insurance will be billed to partially pay the cost of IEP services and that the necessary information about your child and

the IEP services may be shared with the MO HealthNet Division, a contracted billing agent, and/or a physician to obtain necessary supporting documentation (e.g., physician scripts, referrals) in order to access your MO HealthNet benefits.

Can you be required to enroll with the MO HealthNet Division (MHD) for public insurance?

You cannot be required to sign up for or enroll in public insurance for your child to receive a free appropriate public education, including IEP services.

Will your consent affect your family's MO HealthNet benefits?

No. Reimbursed services provided by your school district do not limit coverage, change eligibility, affect benefits, or count against visit or funding limits in MO HealthNet

programs.

What if you change your mind? You have the right to withdraw consent to disclose your child's personally identifiable information to the MO HealthNet Division for billing purposes at any time.

Will your consent or refusal to give consent affect your child's IEP services?

No. Your school district must provide all required IEP services to your child at no cost to you, whether you give consent or refuse to give consent for purposes of the school accessing your MO HealthNet benefits.

What if you have a question?

Please call your school district's Special Education Department with questions or concerns at 573-437-5171.

Parents right to know

BY JERI KAY HARDY
Assistant Superintendent

Dear Parent or Guardian:

At the beginning of each school year, Gasconade R-2 School District must inform parents and guardians of each student attending a Title I, Part A School of their right to request information about the professional qualifications of both the teachers and the paraprofessionals who teach and work with their children. Our district is required to inform you

Alternative learning opportunities at OHS

BY KRIS ALTEMEYER,
OHS PRINCIPAL

OHS teacher Lucas Gehlert will again be the director of the Alternative School for the 2019-20 school year. Carrie Pruitt-Sieker will serve as the secretary for the Alternative School and The Learning Center.

The Learning Center (TLC) is an alternative school learning program that offers eligible students several opportunities to continue or complete their high school education. With the current struggles of our national and local economy, a high school education is even more essential for success in today's workplace. The Learning Center programs include:

Missouri Option Program – This allows students who are at least one year behind in credits to earn a high school diploma by passing the GED exam and meeting other criteria. Job skills and career planning are an essential part of this program.

Alternative Education - Students who, for a variety of reasons, are unable to attend the regular day school program may enroll in TLC. Students use computer based instruction to earn course credit.

Credit Recovery - Owensville High School students who have fallen behind in earning credits may attend TLC in order to make up course credits. Students should contact the guidance office to begin this process.

The Learning Center is open Monday through Thursday from 3:45 to 6:45 p.m. Opening day for the 2019-20 Alternative School year is Wednesday, Aug. 14. To enroll in one of the programs or for more information contact Lucas Gehlert at 437-2174 or email at lgehlert@dutchmen.us

If parents, students, or community members ever have any questions or concerns about the Gasconade County Alternative School they can also contact the high school.

of information that you, according to the Every Student Succeeds Act of 2015 (Public Law 114-95), have the right to know.

Upon your request, our district is required to provide to you in a timely manner, the following information:

- Whether your student's teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.

- Whether your student's teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived.

- Whether your student's teacher is teaching in the field of discipline of the certification of the teacher.

- Whether your child is provided services by paraprofessionals and, if so their qualifications.

In addition to the information that parents may request, a building receiving Title I.A funds must provide to each individual parent:

- Information on the level of

achievement and academic growth of your student, if applicable and available, on each of the State academic assessments required under Title I.A.

- Timely notice that your student has been assigned, or has been taught for 4 or more consecutive weeks by, a teacher who has not met applicable State certification for licensure requirements at the grade level and subject area in which the teacher has been assigned.

Our staff is committed to helping your child develop the academic knowledge and critical thinking he/she needs to succeed in school and beyond. That commitment includes making sure that all of our teachers and paraprofessionals are highly skilled. If you would like to request any of the above information, please contact the principal at your child's school. Additionally, you may contact your child's teacher directly regarding your child's academic progress.

Transportation notes

GARY POHLMANN
TRANSPORTATION DIRECTOR

In just a couple weeks it will be time for our students to start back to school for another year. I would like to ask any parents who will have a new student or a change in their pick-up or drop-off, to please contact the Transportation Department after Aug. 1.

Open house for students in grades K-5 is scheduled for Aug. 7, at both Gerald and Owensville Elementary. Transportation Department representatives will be present to make necessary changes. With the first day of school being Aug. 14, this allows us only a week for changes and routing, so the sooner we have your information, the sooner we can get this information to all of our drivers. Last year our fleet traveled 415,527 miles (2444 miles per day average) and transported 1349 students.

All buses will have assigned seating. This comes from continued problems with discipline issues and vandalism. Students will be held accountable for the seating assignment. The Transportation Department will only be allowing two pick-up and two drop-off addresses. For early out days and emergencies only will exceptions be made. As some of our routes are at or near capacity, we discourage students going home with other students

for recreational purposes. All other transportation changes will need to be directed to the Bus Barn. With the decreasing transportation funding from the State, we continually have to work to streamline our routing.

It is extremely important that parents keep their phone numbers updated with the schools. In case of emergency, with parents needing to be contacted, it is necessary to have correct phone numbers so these calls can be made quickly.

I would like to remind parents and students to be aware of your pick-up and drop-off times, and remember their window for pick-up and drop-off is five minutes before and after set time. When changing drop-offs or pick-ups please include the complete address when contacting the school. This is very important to the drivers.

If your child is a second grader or lower, there must be a parent/guardian visible at the bus stop. If you wish to allow them to be dropped off without someone present, you must provide a written permission letter to the Transportation Department. Pre K students will be not dropped off unless a parent/guardian is at the school bus door. If you have an older student that will be responsible for this student, again a letter to the Transportation Department must be given.

I ask everyone to be respectful and cooperative with our drivers, for they transport the most valuable cargo on the road every day. The safety of our students is our biggest concern.

Sportsmanship continues under direction of new AD Ryan Okenfuss

RYAN OKENFUSS,
ACTIVITIES DIRECTOR

Owensville Athletics and Activities continue to excel in competition and in the classroom. At Owensville High

School we offer a number of activities, organizations, clubs and athletics. We believe that it is important to have participation in these extra-curricular activities by as many students as possible. During the 2018-19 school year we had a total of 55 students earn Academic All-State Honors and one student earn All-State Choir for Solo and Ensemble. The choir also earned a rating of 1 (excellent) in sight-reading which has not been accomplished by an OHS choir in 34 years! Our theater department is challenging our students to grow artistically by selecting more intricate and detailed scripts and our students continue to rise to the occasion in each performance. Our robotics team reached new heights of success and nearly made it to the State finals. Additionally we had a team of STEM students win the national "Samsung Solve for Tomorrow" competition and earn \$100,000 in Samsung equipment!

I am more excited for the accomplishments and achievements that our students create for themselves. Success and triumph does not come easy. Our students dedicate themselves to performing at the top of their ability. This is evident when you see the preparation that is put in on a daily basis at practices for sports, choir, speech, scholar bowl and the theater. While we always have change, there is one thing that is always a constant at OHS and that is Dutchmen Pride!

This enthusiasm is met by a great staff of teachers, coaches and sponsors, most of which will remain the same from last school year. New sponsors and coaches that have been added to our staff for the 2019-2020 school year include Adrienne Brammeier who will be beginning her first full year at OHS sponsoring the theater department. The football staff has been remade; Nathan Cabot will take over the head coaching duties with new assistant coaches Shane Hunt and Steven Kemp. Returning to the sidelines will be Casey Fisher and Dean Pohlmann. Matt Kramme will join the boys' basketball staff after being an assistant on the girls' side in the past. New members of the

boys basketball staff include Shane Hunt (eighth grade) and Taylor Payne (seventh grade). Kelly Smith will be joining our athletic staff coaching the Dutch Divas dance team. New to Matt Candrl's track staff will be Rebecca Lorey and Kelsey Lowe. Steven Kemp will also join Tyler Ahring's baseball staff coaching the freshman baseball team. New to the softball diamond this fall will be head coach Hannah Wehar. We also will have one major facility change as we are nearing the completion of our new softball/baseball field being built on campus. This field will have a synthetic turf infield with a grass

outfield which will allow us to play many games when other schools cannot due to inclement weather. This field has been constructed under the watchful eye of Gary Pohlmann and District Superintendent Dr. Chuck Garner. They have been very diligent in making sure that this facility meets all the needs of the district and that it will be ready for play this fall.

Continuing in preparation for this coming school year, I will be hosting an ALL SPORT parent/player meeting Sunday Aug. 11 at 5 p.m. in the OHS gym. Every parent and student that plans to participate in any Missouri State High School Activities

Association (MSHSAA) sponsored event should be in attendance. There will be information provided regarding MSHSAA and district policies. Parents can pick up or turn in any relevant forms and students will be able to meet and hear the expectations of their coaches. Additionally MSHSAA has made some changes to their physical policy. Beginning this year, all sports physicals will be valid for two years. This change will be retroactive to last year. Any student who had a physical on file at school for 2018-19, that physical will still be valid for this upcoming school year. The only students that will be required

to get a physical will be seventh graders who are participating in school sponsored athletics for the first time or any student who did not participate in athletics last year. There will still be pre-participation paperwork such as insurance and concussion forms and parent consent forms that will need to be turned in every year. Each of these forms can be found online at https://ohs.dutchmen.us/28751_1 or can be picked up from the athletic office after Aug. 1.

Lastly, I would like to take this opportunity to invite students, parents

See AD page 23B

Two Of The Most Important Letters In The Alphabet.

Children need to know the importance of the letters "NO." School can teach your child how to spell, but as parents, we need to teach them about drug and alcohol abuse. Make sure they get the message...say NO to drugs.

District explains policy on reduced, free lunches

Children from families whose current income is at or below those shown are eligible for free or reduced price meals. Applications are available at the school office. To apply, fill out a Free and Reduced Price School Meals Family Application and return it to the school. The information provided on the application is confidential and will be used only for the purpose of determining eligibility. Applications may be submitted any time during the school year. A complete application is required as a condition of eligibility. A complete application includes: (1) household income from all sources or Food Stamp/TANF case number,

(2) names of all household members, and (3) the signature and last four digits of social security number or indication of no social security number of adult household member signing the application. School officials may verify current income at any time during the school year.

Foster children may be eligible regardless of the income of the household with whom they reside.

If a family member becomes unemployed or if family size changes, the family should contact the school to file a new application. Such changes may make the children of the family eligible for these benefits.

Households will be no-

tified of their children's eligibility status for free or reduced price meals. If any children were not listed on the eligibility notice for families receiving SNAP, TANF or FDPIR, the household should contact the school to have free meal benefits extended to those children.

If any child(ren) was not listed on the eligibility notice, the household should contact the LEA or school to have free meal benefits extended to that child(ren).

Under the provisions of the policy, Megan Silvers, Lunch Secretary, will review the applications and determine eligibility. If a parent is dissatisfied with the ruling of the determining official,

Household Size	Maximum Household Income Eligible for Free Meals			Maximum Household Income Eligible for Reduced Price Meals		
	Annually	Monthly	Weekly	Annually	Monthly	Weekly
1	\$16,237	\$1,354	\$313	\$23,107	\$1,926	\$445
2	21,983	1,832	423	31,284	2,607	602
3	27,729	2,311	534	39,461	3,289	759
4	33,475	2,790	644	47,638	3,970	917

Each add'l member	+ 5,746	+ 479	+ 111	+ 8,177	+ 682	+ 158

they may wish to discuss the decision with the hearing official on an informal basis or he/she may make a request either orally or in writing to Dr. Chuck Garner,

Superintendent of Schools, P.O. Box 536, Owensville, MO. 65066.

Hearing procedures are outlined in the policy. A complete copy of the policy

is on file in each school and in the central office where any interested party may review it.

AD • From page 22B

and community members to our "Orange and Black" night Saturday Aug. 17 at 4:00 p.m. Each member of the fall sports teams will be introduced beginning at 4:15. Starting at 4:30 we will host a live auction fundraiser with all proceeds going directly to Owensville Athletics. Following the auction at approximately 5:45 I will invite everyone in attendance to stay and watch one of three inter-squad

scrimmages that will take place. You will have the option of staying in the gym to watch volleyball or to head outside and watch the football or softball teams scrimmage.

I look forward to working with our teachers, sponsors, coaches and most importantly your sons and daughters during this school year as we all pursue to push the limits and continue to achieve success.

Welcome
Back-to-School!

Good Luck to All
Students & Teachers in the
2019-2020 school year!

The Maries County Bank is proud to support Owensville schools. During the 2018-2019 school year we donated \$5,750 to the Gasconade County R-2 School District and various extracurricular activities.
