TO THE CLASS OF 2019

Congratulations on your graduation from Owensville High School

BY CINDY HAWKINS
Owensville High School Principal

What an amazing end. It may seem sad for parents, it may seem scary for the graduates, it may seem prideful to the staff but if we reflect at what this senior class has been a part of for the past thirteen years we know that their high school careers have ended with success and Dutchman pride.

I recently developed a list of accomplishments for OHS for just this year. It is a long list. It includes Choir with a 1 rating at state contest, Cross Country girls conference champions, Band sweeping the Southern Boone County Marching festival, one of our staff being given an unsung hero award, wrestling to state, art pieces at the Capitol building, Samsung winners of \$100,000, Mason earning a 1 rating at State music and 8th at State speech, FFA National winners, Scholar-bowl conference champs, Ella Wright earning the \$10,000 Science Scholarship, Speech going to State, DECA national winners, Robotics to State, Cross Country conference winners, and 100% APR rating for the district. (if I have missed anything I am sorry) These students have achieved much. They are competitive, athletic and intelligent.

This class has earned \$204,900 in scholarships. They boast 6 students who have earned a 30 or higher on the ACT. They will be graduating with 633 college credits earned while here. There are 57 students earning a two-year free college education through the A+ program. These students

will be attending College of the Ozarks, Columbia College, Crowder College, Drury University, East Central Community College, Hastings College, Missouri State University, Missouri Science and Technology, Missouri Western State University, Lindenwood University, Maryville University, Missouri Baptist University, Pittsburg State University, Rolla Technical Center, Rolla Technical Institute, Southeast Missouri State University, State Technical College, Truman, University of Missouri Columbia, University of Missouri St. Louis, Moberly, Ozark Technical College, Saint Charles Community College, Goldfarb School of Nursing, Merrell University, Missouri Welding Institute, Ranken, and they will be joining the Marines, Army, and Air Force.

Even with all of these accomplishments I have to note that this is not the reason I feel they should walk across that stage with pride. They have earned the score, they have earned the grade, they have earned the award. But I feel this class in particular have earned something far more valuable. They have earned the respect and caring of their fellow classmates. This class, more than any I have been a part of, care for each other. They support each other. They respect their teachers. They respect their parents. These student are a joy to be around. I have to admit I will miss them terribly.

Parents be proud of this group of young men and women. As they are stressed with the end-of-the-year activities remember they have created a bond that is unusually strong. This class will happily participate in the barbecue, the movie, the senior parade, the ceremonies because they know they earned these things together. To the graduating class of 2019 I happily say: Thank you for a wonderful four years!

TO THE CLASS OF 2019

A message from the superintendent

CHUCK GARNER, ED.D.
Superintendent

To the graduating class of 2019 from Owensville High School—Congratulations!! You have reached a milestone in your life in which you can reflect and dream at the same time. There are a few times in life, when you stop, take a breath, and reflect on where you have been. There are also a few times in life, when you think about your future. High school graduation is a time where both

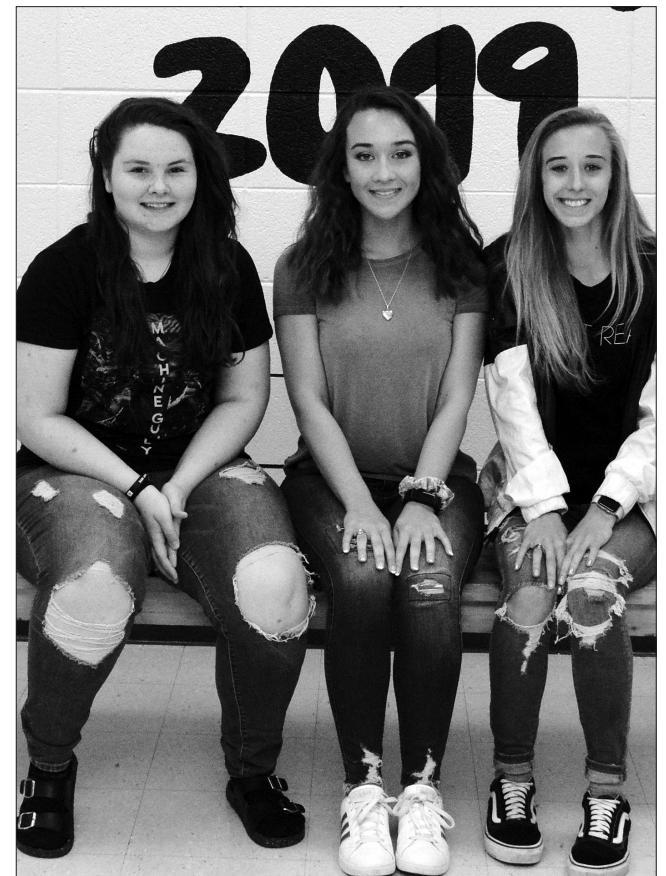

occur. As you look back over your public school education you will have many memories, friendships, and experiences to cherish. As you look forward, you may be excited and nervous at the same time for what your future holds. I encourage you to reflect on your accomplishments and those who helped you get to where you are today, especially your parents, grandparents, family, friends, and an educational community that is proud of you. I also encourage you to dream! A fellow Missourian, Walt Disney, said, “All our dreams can come true, if we have the courage to pursue them.” I challenge you to have the courage to pursue your dreams. I wish you the very best, regardless of your life pursuit, and want you to remember it all started here and you have people here who are proud of you.

As you move on to the next phase in your life, please remember you left a tradition for others to follow. Your accomplishments are many, from National, State, District, Conference, and personal highlights and successes. The entire community is proud of you. We are counting on you to make a positive impact on our community, state, country,

and world. Your leadership will shape the future for all of us. This community has demonstrated their commitment to you throughout your educational journey and has invested in your success, and, I am confident you will continue to show high achievements in a vast array of disciplines. Another famous Missourian, Mark Twain, said, “Twenty years from now you will be more disappointed by the things you didn’t do than by the ones you did do. So throw off the bowlines. Sail away from the safe harbor. Catch the trade winds in your sails. Explore. Dream. Discover.”

As this school year comes to an end, I would like to recognize and congratulate the three staff members who will be retiring at the end of the school year. They are Janet Dintelman (27 years of service with 27 years within the district), Cindy Hawkins (28 years of service with 3 years within the district), and Carl Hendrickson (23 years of service with 23 years within the district). We wish these employees the best of luck and hope they enjoy retirement.

In closing, I would like to thank the Board of Education and community for their continued support of our school district. With budget concerns and an ever changing educational landscape, it is critical we partner together in improving the educational opportunities for our students. I would also like to thank the teachers, district staff, and students for their work to make this a great school district. It is only with unyielding passion and commitment from all stakeholders, will we see our district continue to improve and provide our students with the opportunities needed to compete in the world. Lastly, to the graduates of 2019, Missouri poet Langston Hughes wrote, “Hold onto dreams, for if dreams die, Life is like a broken-winged bird that cannot fly.” So, dream big and congratulations. No matter what you pursue, do it with Dutchmen Pride!

Mercedes Claire Angell — Daughter of Kim and Bryan Angell, Mercedes is exploring a career in Professional Writing and will be pursuing a Bachelor's Degree in English. She will begin her educational journey this fall as a freshman at East Central College in Union. Mercedes is eligible for the 'A+ Scholarship Program' and she has also been awarded the Cantley English Scholarship. Upon completion of her Associate Degree in General Studies at East Central College, Mercedes plans to transfer to a university to complete her Bachelor's Degree.

Bethany Danielle Breeden is the daughter of Danny and Barb Breeden of Owensville. Bethany has completed her masters of social work degree at the University of Missouri St. Louis. Bethany received a minor in psychology, a certificate in drama studies and an emphasis in school social work. While working towards her degree, Bethany worked for the St. Louis Public schools district and ALIVE, a domestic abuse crisis line. Bethany hopes to continue her work in the field and work towards working as a licensed clinical social worker. Bethany's greatest accomplishment while working towards her goal, is being a mother to her two daughters.

Chantel Littrell will be attending Drury University in the Fall to major in Finance and Marketing and minor in Business Administration, Business Entrepreneurship and Theatre. She has been involved in Theatre, Speech, DECA, Troubadours, and Student Council while in high school. She had been an officer of both DECA and Theatre and a Co-captain of speech for two years. She has been in every high school play production and plans to continue her theatre journey in college. She also received 2nd for DECA qualifying for Nationals. She has been on the A Honor Roll for all of high school and part of the top 10 of her class. Chantel Littrell is the daughter of Joe and Sonya Littrell.

Christopher Michael Raphael Mercurio son of Kaci Lin Romans, Michael, and Lindsey Mercurio. Christopher will be graduating from Francis Howell Central in St. Peters on June 1st. He has been a member of the Spartans track and field team all four years and worked with the theatre for 2 years. After graduation, Chris will attend St. Charles community college through the A+ program and later plans to transfer to Missouri to complete his degree for accountancy.

Marisol Marquez — daughter of Angelica & Alejandro Marquez, Marisol is a student at Missouri S&T and will be graduating with her bachelors degree in Psychology and obtaining a minor in teaching. She has been a part of dance, mentoring, koolastic, and other volunteer organizations for the schools and community. After graduation she wishes to find a job as a counselor or a teacher.

The best is yet to be

*As wonderful as school days are
So full of fun and laughter,
The best and richest times you'll know,
Will come a few years after...
So close the door behind you now,
And as you turn away,
Review the dreams and plans you've made,
And hold them fast today,
Walk proudly as you move along,
Feel young and strong and free,
And let your heart repeat these words—
"The best is yet to be"*

OWENSVILLE HIGH School's two robotics teams enjoyed a successful year with one of the squads advancing to state competition held at Missouri University of Science and Technology in Rolla. Class of 2019 member Jacob Hall (above, far left) discusses an upcoming match with the team's advisor, faculty member Kevin Lay, as underclassmen on the team make a repair. The OHS entry reached the finals through selection to form an alliance with two other teams. The OHS entry was consistently scoring points throughout the competition by completing ground-level moves to push items such as blocks or ball into a designate scoring zone. Hall was part of a three-person squad which controlled the bot in the competition area through either programmed or remote control movements.

Another Gasconade County Bowl win for OHS football

After holding off Hermann's Bearcats 34-29 in the annual Gasconade County Bowl football game last fall at Dutchmen Field, Owensville High School senior football players and cheerleaders came together for a group photo (above) with the trophy. In next year's contest at Hermann High School's Bearcat Memorial Stadium, OHS will look to extend their winning streak in their rivalry with Hermann to six years in a row. Blaine Schoenfeld (top right) was recognized this past winter as the lone Owensville Dutchmen senior wrestler during the 2018-19 season.
