A Keepsake Edition of the Gasconade County Republican • May 16, 2018 • Page 1B-48B

TO THE CLASS OF 2018

Congratulations on your graduation from Owensville High School

BY CINDY HAWKINS

Owensville High School Principal

It is now the beginning of the end for the graduating class of 2018. One hundred and thirty-three gown-clad young men and women begin the process of saying goodbye to what they have known for the past thirteen years. No more school parties, no more recess, no more tournaments. No more lunch accounts, no more grade cards, no more dutchtime.

They start a new chapter of their lives filled with independence and discovery which they currently cannot even imagine. It is hard at times to watch these fun, smiling faces as they go through the same end-of-the-year rituals which their siblings have gone through, their parents have gone through and for some, their grandparents have gone through. Their last week in high school will consist of senior parades, movie trips, barbecues and practice. Oh, and don't forget the photos. Lots and lots of photos so they can remember every detail fondly for years to come.

So what have they done? They have accomplished many things while here at Owensville High School. They have earned over \$131,000 in scholarships including \$95,900 offered from local donors. The top ten all graduate with a 4.0 grade-point average, fifty-nine students are graduating with A+ scholarships designed to pay for their first two-years of college or tech school. Five students have earned an ACT score of 30 or higher. They have earned national status in DECA and FFA, they are four-time district track champions, first-ever conference girls track champions. They have earned honors in speech, athletics, band, choir,

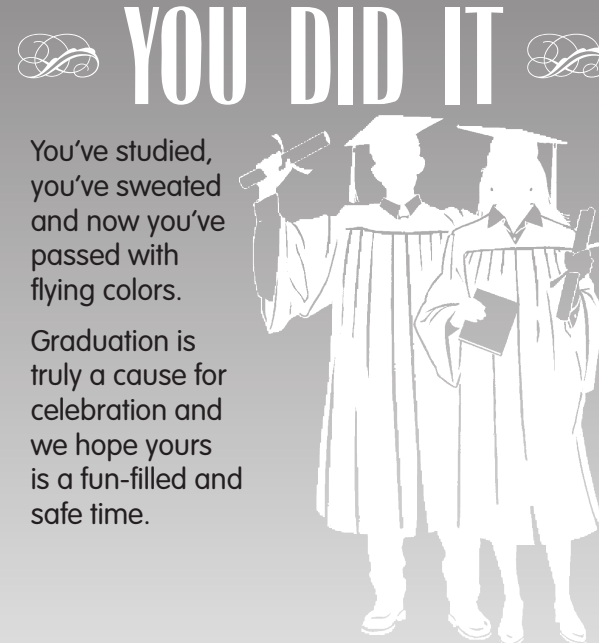

scholar bowl, industrial technology and robotics. We even have a graduate who has earned 100% attendance for all four years in high school!

These students are ambitious. They have big plans for their futures including attending Central Methodist University, Culver Stockton, East Central College, Hannibal LaGrange, Jefferson College, Kansas Wesleyan University, Lindenwood, Lindenwood-Belleville, Merrell University, Missouri S+T, Missouri Southern State University, Missouri Valley College, Missouri Western State University, Mizzou, Ozark Technical Community College, Paul Mitchell School of Springfield, Rolla Tech, Rolla Technical Institute, SEMO, Southwest Baptist University, St. Louis University, State Tech, Truman State University, Tulsa Welding School and Westminster College. Members of this graduating class will enter the United States Air Force, Marines and the Army.

As we walked through the halls of Gerald Elementary, Owensville Middle School and Owensville Elementary it was emotional. The students were excited and honored with shouts, high-fives and hugs. The teachers were proud and weepy looking at the wonderful young men and woman they helped to shape. The underclassmen were envious of their accomplishments and their joy. The kindergartners were in awe. Looking up into the smiling faces of those tall seniors I can just imagine they were dreaming of that day coming for them. The entire staff of Gasconade County R-II invites you to come and help us celebrate this wonderful group of young people as they begin their next steps in life. As they walk across the stage and out the door they take a lot with them including that never ending Dutchmen Pride!

CLASS MOTTO:

"Dream what you dare to dream, go where you want to go, be what you want to be... LIVE!"

You've studied, you've sweated and now you've passed with flying colors.

Graduation is truly a cause for celebration and we hope yours is a fun-filled and safe time.

TO THE CLASS OF 2018

A message from the superintendent

CHUCK GARNER, ED.D.
Superintendent

To the graduating class of 2018 from Owensville High School—Congratulations!! You have reached a milestone in your life in which you can reflect and dream at the same time. There are a few times in life, when you stop, take a breath, and reflect on where you have been. There are also a few times in life, when you think about your future. High school graduation is a time where both occur. As you look back over your public school education you will have many memories, friendships, and experiences to cherish. As you look forward you may be excited and nervous, at the same time, for what your future holds. I encourage you to reflect on your accomplishments and those who helped you get to where you are today, especially your parents, grandparents, family, friends, and an educational community that is proud of you. I also encourage you to dream! A fellow Missourian, Walt Disney, said, “All our dreams can come true, if we have the courage to pursue them.” I challenge you to have the courage to pursue your dreams. I wish you the very best, regardless of your life pursuit, and want you to remember it all started here and you have people here who are proud of you.

As you move on to the next phase in your life, please remember you left a tradition for others to follow. Your accomplishments are many and the entire community is proud of you. We are counting on you to make a positive impact on our community, state, country, and world. Your leadership will shape the future for all of us. This community has demonstrated their commitment to you throughout your educational journey and has invested in your success and I am confident you will continue to show high achievements in a vast array of disciplines.

As this school year comes to an end, I would like to

recognize and congratulate the 13 staff members who will be retiring at the end of the school year. They are Jean Baker (31 years of service and 17 years within the district), Carla McKinney (32 years of service and 24 years within the district), Connie Warden (31 years of service with 31 years within the district), Sherri White (29 years of service with 22 years within the district), Mike Koepke (26 years of service with 12 years within the district), Pat Peets (16.5 years of service with 12 years within the district), Oleta Rhoads (24 years of service with 1 year within the district), Melanie Adkison (21 years of service with 21 years within the district), Valery Wright (27 years of service with 26 years within the district), Robin Schaefferkoetter (26 years of service with 25 years within the district), Lori Nolen (26 years of service with 20 years within the district), Mark Jett (24 years of service with 24 years within the district), Pam Idel (22 years of service with 22 years within the district), Garry Adkison (7 years of service with 7 years within the district), and Betty Zeilmann (15 years of service within the district). We wish these employees the best of luck and hope they enjoy retirement.

In closing, I would like to thank the Board of Education and community for their continued support of our school district. With budget concerns and an ever changing educational landscape it is critical we partner together in improving the educational opportunities for our students. I would also like to thank the teachers, district staff, and students for their work to make this a great school district. It is only with unyielding passion and commitment from all stakeholders will we see our district continue to improve and provide our students with the opportunities needed to compete in the world. And to the graduates of 2018, Missouri poet Langston Hughes wrote, “Hold fast to dreams, for if dreams die, life is like a broken-winged bird that cannot fly.” So, dream big

and congratulations. No matter what you pursue do it with Dutchmen Pride!

The best is yet to be

*As wonderful as school days are
So full of fun and laughter,
The best and richest times you'll know,
Will come a few years after...
So close the door behind you now,
And as you turn away,
Review the dreams and plans you've made,
And hold them fast today,
Walk proudly as you move along,
Feel young and strong and free,
And let your heart repeat these words—
"The best is yet to be"*
