## TO THE CLASS OF 2020

# Congratulations on your graduation from Owensville High School

**BY KRIS ALTEMEYER**  
Owensville High School Principal

It certainly has been a wild ride for the Class of 2020. The culmination of a 13-year journey is not coming to a close the way any of us envisioned, but that does not make it any less special for each of our 135 graduating seniors.

These seniors have accomplished a great deal over the past year and throughout their academic careers. They are graduating with a total of 664 college credits, and 68 of them have earned two years of free college tuition through the A+ Program. Brandon Allen earned a 31 on his ACT, qualifying him for a Bright Flight Scholarship. In all, the Class of 2020 earned more than \$150,000 in scholarships, with a significant portion of that coming from our strong local scholarship program. All of this hard work and support will give them an invaluable head start on their futures.

The Class of 2020 will be attending a variety of post-secondary institutions, including Bellus Academy, DeVry University, East Central College, Four Rivers Career Center, Harding University, Jefferson Community College, Lincoln University, Maryville University, Merrell University, Missouri S&T, Missouri State University, Missouri Valley College, University of Missouri-Columbia, Moberly Area Community College, Missouri Southern State University,

Northeastern Oklahoma A&M, Northwest Missouri State University, Oklahoma Christian University, Paul Mitchell School, Ranken Technical College, Rolla Technical Institute, St. Louis University, Southwest Baptist University, Central Methodist University, College of the Ozarks, State Tech, Truman State University, University of Central Missouri, University of Missouri-Kansas City, University of Northwestern Ohio and the University of Tampa. We are also proud to have members of the Class of 2020 serving our country, with Paige Hecklemann joining the Navy and Nick Gower joining the Army National Guard.

This year's graduating class has experienced an unprecedented end to their senior year. They have unfortunately missed out on some traditional senior activities over the past few months. But they have handled it well, with a maturity and open-mindedness that gives me great confidence that they will be able to overcome any obstacles they encounter on their future paths.

Parents and families - you have much to be proud of with this group of young men and women that you have raised and supported throughout these past 18 years. The community is proud of them, our faculty and staff is proud of them, and I am certainly proud of them as well. Congratulations to the OHS Class of 2020, and we look forward to a proper celebration with our graduation ceremony on June 28th.

Beside us are friends,  
Before us are dreams

## TO THE CLASS OF 2020

# A message from the superintendent

**CHUCK GARNER, ED.D.**  
Superintendent

To the graduating class of 2020 from Owensville High School—Congratulations!! You have reached a milestone in your life in which you can reflect and dream at the same time. There are a few times in life, when you stop, take a breath, and reflect on where you have been. There are also a few times in life,

when you think about your future. High school graduation is a time where both occur. As you look back over your public school education you will have many memories, friendships, and experiences to cherish. As you look forward you may be excited and nervous, at the same time, for what your future holds. I encourage you to reflect on your accomplishments and those who helped you get to where you are today, especially your parents, grandparents, family, friends, and an educational community that is proud of you. I also encourage you to dream! A fellow Missourian, Walt Disney, said, “All our dreams can come true, if we have the courage to pursue them.” I challenge you to have the courage to pursue your dreams. I wish you the very best, regardless of your life pursuit, and want you to remember it all started here and you have people here who are proud of you.

This school year has been unique for you, as students, and for us as school personnel. In my 29 years in education I have never experienced a school closure of nine weeks! I have lived through ice storms, natural disasters, and temporary school closures. But, this has been the longest in my career that school has not been in session. I am confident you will remember this year for the rest of your life! The big question will be how will you learn from this experience? Dr. Seuss said, “When something bad happens you have three

choices. You can either let it define you, let it destroy you, or you can let it strengthen you.” I pray it strengthens you. Determination, grit, and perseverance are qualities that can overcome most any obstacle.

As you move on to the next phase in your life, please remember you left a tradition for others to follow. Your accomplishments are many, from national, state, district, conference, and personal highlights and successes. The entire community is proud of you. We are counting on you to make a positive impact on our community, state, country, and world. Your leadership will shape the future for all of us. This community has demonstrated their commitment to you throughout your educational journey and has invested in your success and I am confident you will continue to show high achievements in a vast array of disciplines. Another famous Missourian, Mark Twain, said, “Twenty years from now you will be more disappointed by the things you didn’t do than by the ones you did do. So throw off the bowlines. Sail away from the safe harbor. Catch the trade winds in your sails. Explore. Dream. Discover.”

As this school year comes to an end, I would like to recognize and congratulate the 10 staff members who will be retiring at the end of the school year. They are Glenda Wotipka (51 years in the district), Kaye West (46 years in the district), Lauri Link (31 years in the district), Cheri Scheer (31 years, 26 in the district), Tammy Ryerson (27 years in the district), Jennifer Hall (26 years in the district), Cindy Koppelman (22 years, 19 in the district), Ken Hunott (29 years, 15 years in the district), Cindy Buettmann (25 years, four years in the district), and Carol Gooch (three years in the district). We wish these employees the best of luck and hope they enjoy retirement.

In closing, I would like to thank the Board of Education and community for their continued support of our school district. With uncertain times, budget concerns, and an ever

changing educational landscape it is critical we partner together in improving the educational opportunities for our students. I would also like to thank the teachers, district staff, and students for their work to make this a great school district. It is only with unyielding passion and commitment from all stakeholders will we see our district continue to improve and provide our students with the opportunities needed to compete in the world. A special congratulations

## 2020 honors luncheon at VFW hall

On Wednesday, March 11 many of the Owensville High School seniors met at the VFW Hall for what would be their last time together for an extracurricular school function. Just two days later Gov. Mike Parson issued a state of emergency due to the coronavirus. The last day for formal classes at the Gasconade County R-2 school district was March 17. OHS graduate and collegiate basketball coach Steve Tappmeyer challenged the seniors to “celebrate your accomplishments but stay humble” and reminded them of the turtle on the fence post story, telling them, “it didn’t get there by itself. You had help along the way. Parents, grandparents, teachers, friends who supported you. Take time to thank the people who helped you get here today.”

As wonderful as school days are  
So full of fun and laughter,  
The best and richest times you'll know,  
Will come a few years after...  
So close the door behind you now,  
And as you turn away,  
Review the dreams and plans you've made,  
And hold them fast today,  
Walk proudly as you move along,  
Feel young and strong and free,  
And let your heart repeat these words—
