TO THE CLASS OF 2022

Congratulations on your graduation from Owensville High School!

BY KRIS ALTEMEYER
Owensville High School Principal

It has certainly been an exciting year for the Class of 2022. The culminating year of their thirteen-year journey definitely was unique in a number of ways, and that should make it all the more special for each of our 136 graduating seniors.

These seniors have accomplished a great deal over the past year and throughout their academic careers. A total of 56 of them have earned two years of free college tuition through the A+ Program. We had four students earn a Bright Flight scholarship due to their ACT score, with Caden Binkhoelter earning a 32 and Kayla Blankenship, Anna Finley, and Shelby Malone earning a 31. In all, the Class of 2022 earned nearly \$112,000 in scholarships, with a significant portion of that coming from our generous local scholarship

donors. All of this hard work and support will give them an invaluable head start on their futures.

The Class of 2022 will be attending a variety of post-secondary institutions, including State Technical College, Maryville University, East Central College, the University of Central Missouri, the University of Kansas, Southern Connecticut State University, Gateway Community College, the University of Missouri-Columbia, Missouri State University, Missouri Welding Institute, Missouri Southern State University, Moberly Area Community College, Lincoln University, College of the Ozarks, Missouri University of Science and Technology, Mineral Area College, Southwest Baptist University, Westminster College, St. Louis Community College, State Fair Community College, Drury University, William Woods University, Columbia College, Southern Illinois University-Carbondale, Galveston College, Jefferson College, Assiniboine Community College, Southeast Missouri State University, Ranken Technical College, and Ozark Christian Col-

lege. We are also proud to have members of the Class of 2022 serving our country, with Elijah Berkaw and Caden McCurry joining the United States Marine Core, and Kyle O'Neal joining the United States Army.

This year's graduating class has experienced a senior year that has been full of great achievements and success. As is always the case, they have experienced some adversity and setbacks as well, but have handled them with a maturity and open-mindedness that gives me great confidence they will be able to overcome any obstacles they encounter on their future paths.

Parents and families - you have much to be proud of with this group of young men and women that you have raised and supported throughout these past 18 years. The community is proud of them, our faculty and staff are proud of them, and I am certainly proud of them as well. Congratulations to the OHS Class of 2022, and we look forward to a celebration with our graduation ceremony on May 20th!

TO THE CLASS OF 2022

From the superintendent

BY DR. JERI K. HARDY
SUPERINTENDENT

Congratulations on a job well done! You have successfully completed this chapter of your life and with the end of one chapter becomes the next new beginning to your story. So, as our motto for the year says: "Your story starts here!" take a moment to reflect

back on the memories of your time in the hallways of the schools in the Gasconade County R-2 School District. It is in these reflections I hope you have fond memories of your peers, activities, teachers, and administration who have walked with you along the way. Also, take another moment to plan for your future and create a path to obtain your goals. My hope is you have laid the groundwork for the path you are choosing for your future and I wish you all a very bright future. Graduating high school is a great accomplishment and I hope you all choose a career path you have a passion for. Pursue your goals and dreams. Don't be afraid to go to where life takes you and remember it is okay for life to bring you back home. I am proud of this accomplishment you have reached, and remember: "Once a Dutchmen, Always a Dutchmen."

These four years have been unlike any we

have experienced and you made it through a school closure of nine weeks, contact tracing for 18 months, mask mandates, no mask mandates, bus mask mandates, plexi-glass, physical distancing, and quarantines. Through all of these trials you have continued to persevere. I say, if you can make it through this you will be able to navigate all of the thing's life gives you. The motto for the Gasconade County R-2 School District is Pride-Tradition-Excellence. I believe this motto is one to live by. Remember, as you begin to embark on your individual journey to have pride in where you come from, you don't forget the tradition which has been instilled in you by your family and your community, and to strive for excellence in all you do.

As this year comes to an end, I would like to recognize and congratulate Lorrie Edens (18 years), Judy Glaser (22 years), Carla Havelka (26 years), Randy Jett (17 years), Richard Powers (28 years), Janet Rademacher (47 years), and DJ Shockley (8 years) who will be retiring at the end of the school year.

Finally, I would like to thank the Board of Education, Community, Parents, and Staff for their continued support during these trying times we have witnessed in education. It takes all of us working together to ensure we continue providing our students with the best education possible.

Thanks for making Gasconade County R-2 great!

OWENSVILLE HIGH School seniors (from left at ESPN table) Jacob Breedlove and Freddie Zheng, junior Gabe Soest and senior Alan Kopp had full courtside access for their homecoming "broadcast" the winter festivities in early 2022. Their bit included scoring of 3-point field goals, critiques on free-throw shooting styles, and whatever group participation the cheerleaders could engage them as the Dutch girls and Dutchmen hosted New Haven. Owensville's varsity squads each posted Four Rivers Conference wins over New Haven.

Homecoming festivities

Owensville High School's fall football homecoming celebration included the now traditional cross-campus parade. Dutchmen football players, FFA members, vocational-agriculture students and the OHS Drama Department were all well represented. The winter celebration added a TV broadcast studio set to the cheering section for added fun. The best is yet to be

*As wonderful as school days are
So full of fun and laughter,
The best and richest times you'll know,
Will come a few years after...
So close the door behind you now,
And as you turn away,
Review the dreams and plans you've made,
And hold them fast today,
Walk proudly as you move along,
Feel young and strong and free,
And let your heart repeat these words—
"The best is yet to be"*
