## How to clean and sanitize a backpack

Backpacks are useful tools for students and adults alike. From hiking supplies to school books to sports equipment, backpacks can store just about anything. As veritable workhorses, they're bound to get dirty and can benefit from periodic cleaning.

While it may be tempting to simply throw a backpack into the washing machine, it is important to check the care instructions first. Some canvas, nylon and fabric backpacks can go in the wash, but those made of leather or those with intricate details should not. Backpack manufacturers also advise against putting backpacks in a dryer.

Here are steps to cleaning a backpack.

1. To get started, begin by removing any items from the backpack, including all of the pockets. If necessary, use a vacuum to get crumbs out of the backpack.

2. Check the care label to see if there are washing instructions. This will determine if you should wash it by hand or if it can be put in the machine.

3. If the bag can be machine-washed, turn it inside out first or place it in a pillowcase so that the straps and zippers will not be caught. Then wash it on a gentle setting with a mild detergent and lukewarm water. If the bag should be hand-washed, use lukewarm water and a soft sponge or a gentle bristle brush. The outdoor retailer REI says you do not want to harm any protective coatings on the pack.

4. Zippers need occasional cleaning to remove dirt, sand or crumbs. Many zippers have water-resistant coatings so do not scrub them. Use a lubricant made for zippers to help them slide smoothly.

5. Hang the bag to air dry upside down. It likely will dry more quickly outdoors, but avoid direct sunlight, which can compromise the integrity of the fabric or discolor the backpack.

6. Do not store or use the backpack until it is completely dry.

7. Sometimes a backpack may need to be disinfected to prevent the growth of fungus or bacteria. Athlete's foot fungus can easily transfer from socks and shoes to the backpack if gym clothes are left in the bag. The Spruce says to skip chlorine bleach and use a pine oil or phenolic disinfectant or a disinfectant wipe, such as Pine Sol or Spic-n-Span. Lysol brand disinfectant also can be used and is available in liquid formula or spray.

If a backpack is waterproof, only wash it once or twice per year; otherwise, you may reduce the pack's ability to repel water. Use cleaning wipes to spot clean when necessary.

Backpacks can get grimy quickly. Routine washing can freshen them right up.

## News From Linn R-2 School 2020-2021

*From the desk of ...*

*Dena Smith, Superintendent*

Before we know it, it will be time to start school again. Our goal is to begin Aug. 25 as planned with in-seat classes. I know there have been and will continue to be many questions regarding what precautions we will be taking. Please know we are working with the health department and other area schools to ensure we are putting protocols in place to keep our faculty, staff and students safe and healthy. As soon as we have all of those finalized, we will be putting them out for review and input.

One new procedure we will be implementing is that students will only be allowed one bus route. This means they must ride the same bus morning and afternoon. This will allow for better contact tracing should a situation arise. I wanted to let you all know this information as soon as possible so you can begin making arrangements. We are also encouraging parents to drop off and pick up their children if possible.

I would also just like to take a moment to welcome our new staff! This year we will be

welcoming the following individuals to the Wildcat family:

**Tracy Kingsley -Elementary Principal**  
**Christiana Mustion -Second Grade**  
**Kelsey Schaefer -Fourth Grade**  
**Abigail Wheelan -Special Services**  
**Alicia Troesser -Elementary Art/Gifted**  
**Briar Hancock -Elem/MS/HS PE**  
**Alice Scheulen -MS Secretary**  
**Chelsea Smith-MS/HS Nurse**  
**Courtney Haslag -Cafeteria**

The following staff members will be moving positions this year:

**Greg Stephens -moving from Title I to second grade**  
**Beth Plume -moving from second grade to Title I**  
**Danielle Wolfe-moving from second grade to third grade**  
**Michael Fible -moving from Assistant Principal to MS/HS Principal**

We can't wait to see all of our kids again! In the meantime, have a safe, healthy, relaxing summer!

## News From Linn R-2 Middle/High School 2020-2021

Welcome back! The 2020-2021 school year will bring many changes to our building. The well-being and care for all students at Linn High School and Middle school will remain our top priority as we enter this new age of education. We will continue to address these new challenges to provide the best education possible for the students at Linn. We have a professional and dedicated staff that will rise to the occasion.

We welcome three new faces to Linn High School and Middle School - Chelse Smith will be taking over as the HS/MS Nurse, and Briar Hancock will be teaching MS PE, Elementary PE, and Head Baseball Coach, Alice Scheulen will be MS Administrative Assistant. We are looking forward to what these three individuals will bring to the district and welcome them to the Wildcat Family.

I'd like to share a little information about myself. This will be my 3rd year with Osage County RII. My previous two years I have served as the Athletic/Activities Director and Assistant HS/MS Prin-

icipal. I look forward to the challenge of being the HS/MS Principal for the 2020-2021 School Year.

It is my goal to continue to grow the success of Linn High School and Middle School. Our students and staff have had several accomplishments recently. I look forward to helping the district grow and will continue in my predecessor's, Tim Bower, footsteps. We know there will be many questions for myself and Linn HS/MS Staff. We will address each question along the way always answering with the students' best interest in mind.

It is my privilege and honor to be named the principal at Linn HS/MS. I look forward to continuing the Mission and Vision Statement of "empowering students to be lifelong learners, leaders and productive citizens." "A community collaborating to develop students' potential for personal growth, leadership and greater success." Wildcat Pride!

Michael Fible  
MS/HS Principal

## News From Linn R-2 Elementary School 2020-2021

Welcome back! It's almost time!! As August arrives, it brings with it the fun and excitement of a new school year. Along with that comes the joy of making new friends, engaging in new adventures, and exploring new learning. The safety and security of students and staff, however, is and always will be, our number one priority. This year we are walking a new path as we consider the challenges brought on by COVID 19. Please know the staff at Linn Elementary is ready for the challenge. More than anything they are ready to see the faces of our wonderful students and feel the joy that comes with the start of a new school year!

We are excited to welcome several new teachers to our building this school year, including:

**Christiana Mustion -2nd grade**  
**Abigail Wheelan -Special Services**  
**Kelsey Schaefer -4th grade**  
**Alicia Troesser -Elementary Art & Gifted**  
**Briar Hancock -Elementary/MS/HS PE**  
**Courtney Haslag -Cafeteria**

Some familiar faces have moved to new positions this year.

Greg Stephens has moved from Title I reading to 2nd grade

Danielle Wolfe is moving from 2nd grade to 3rd grade

Beth Plume will be moving from 2nd

grade to Title I reading

I know each of them is excited for their new adventure.

I'll also be a new face at Linn Elementary as I begin my 25th year in education. I'm absolutely thrilled to be joining this great district as the new elementary principal. I spent my first 19 years in my hometown of Louisiana, mostly teaching 5th grade. I also taught kindergarten and was a reading coach during that time. I very much enjoyed coaching girls basketball for at least half of those years and was very involved in the development of curriculum and instructional practices throughout our district as the professional development chairperson for many years. I left Louisiana as I shifted into administration and was honored to serve as principal at Clarence Cannon Elementary School in Elsberry and assistant principal at Veterans Elementary School in Hannibal over the past five years.

My heart is for kids and I love what I do! I'm beyond excited to be back in a small town where I already feel at home. Please know my door is always open. I welcome your thoughts and concerns and will do my best to meet the needs of the students, staff, and families at Linn Elementary. Together, I know we will have a wonderful school year! Go Wildcats!

## Immaculate Conception School Loose Creek

# Celebrating the Past and Committed to the Future

As our Immaculate Conception parish celebrates its 175th anniversary, we will begin the 2020-2021 school year by celebrating the many blessings of our past and committing to our future by following Jesus in faith, knowledge, and service.

Immaculate Conception School celebrates Mrs. Rita Stieffermann's 40 years of service to our school as both a teacher and a principal. While Mrs. Stieffermann has retired as principal, our school is blessed to still have her serving in a part-time capacity.

Ms. Anne Luebbert is transferring from teaching fourth grade to serve as the new principal.

We are looking forward to welcoming 114 students on our first day of school, Monday, Aug. 17.

Immaculate Conception would also like to welcome our new teachers, Mrs. Tracy Wegman, Mrs. Kate Lale and Mr. Eddie Mulholland.

Faculty and Staff for 2020-2021:

- **Pastor:** Father Anthony (Tony) R. Rinaldo
- **Principal:** Ms. Anne Luebbert
- **Kindergarten:** Mrs. Ashley Isenberg
- **First Grade:** Mrs. Lauren Buechter
- **Second Grade:** Miss Katlyn Borgmeyer
- **Third Grade:** Ms. Melinda Contryman
- **Fourth Grade:** Mrs. Kate Lale
- **Fifth-Eight Grades (Departmental):** Mrs. Megan Markway, Mrs. Tracy Wegman, Miss Danielle Plassmeyer, and Mrs. Jessica Braun.
- **Art:** Mrs. Rita Stieffermann (Grades K-4) and Mrs. Joan Muenks (Grades 5-8)
- **PE:** Mrs. Rita Stieffermann (Grades K-4) and Mr. Eddie Mulholland

(Grades 5-8)

- **Music:** Mrs. Sandra Troutt
- **Cooks:** Mrs. Susan Wesley, Mrs. Nina Crowe, and Mrs. Shirley Eichholz

The upcoming school year will bring new challenges and growth opportunities, especially in light of COVID-19 planning.

This year our focus will be on the three C's:

- Christ-like character
- cooperative learning
- critical thinking

Our teachers are working diligently to gain the necessary tools to provide the best possible education for our students.

We have several professional development opportunities within the next month that will enhance our teaching strategies and instruction, whether we are in the classroom or in the event that we are required to return to remote learning. We appreciate all the extra time and effort that our teachers are spending to ensure that our students will have a successful school year no matter what circumstances are presented throughout the year.

Immaculate Conception thanks all of its supporters who help make our Catholic school a success. A special thanks to all of the volunteers that worked over the summer to make any updates, repairs, or assisted with their time and talents. We are also grateful for the continued support of the Schwartz Foundation, which provided new window AC units for several of our classrooms.

Immaculate Conception school is blessed with a strong heritage and we look forward to continuing our mission to be followers of Jesus in faith, knowledge, and service for this year and all future years to come.

## St. George School gearing up for the upcoming school year

St. George is gearing up for the 2020-21 school year! We welcome some new faces to our ranks. Fr. Collin Franklin will be joining the staff as our pastor and spiritual leader. He joins us from Edna, Missouri. Tina Eisterhold will be joining us as a part-time art teacher and a part-time 4th-grade teacher. Troy Donehue will continue to teach 4th, but he will also be taking over the music department. Monica Wolfe will be moving from Extended Care Director to office administrator. Tammy Tyree will be the new Extended Care Director.

Mary Jo Johnson will be returning as the kindergarten teacher; Sr. Linda Brandt will be in first grade. Kindergarten and first will share an aide, Brianna Monroe. Elizabeth Reinkenmeyer will be in second grade, Becky Wingrath will be in third grade, Lisa Rickey will be in 5th, Beth Parrish will be in 6th-grade homeroom. She will be the junior high language arts teacher again this year. Bob Maranowski will be returning as a 7th-grade; his duties will be teaching religion and social studies to our junior high students. Our junior high math and science will be under the direction of Jennifer Gast. She will also be 8th-grade home-room. Our littlest Warriors, our preschool-aged children will be taught by Jessica Jurd as the PK teacher, with the help of Scarlett Stumpe. Heather Loethen will be returning as this year as the physical education teacher, instead of art. Lisa Grellner will continue as the principal with the added duties of teaching computer apps this year. At the diocesan level, St. George School will fall under the leadership of superintendent Dr. Erin Vader. Each year brings positive changes and growth. We have a very skilled and devoted staff. Our hardworking and conscientious custodians have spent the summer thoroughly cleaning the school, and our wonderful cooks have been preparing menus.

The band will be offered again under the direction of Tom Higgins. Students in grades 5-8 will have the opportunity to learn to play a musical instrument.

The first day of class is August 13th. We will be implementing plans to reopen schools safely due to the COVID 19 virus outbreak. We have procedures and practices in place to help keep everyone safe. Those procedures will be posted on our website. This year we will continue to offer a five day school week. We will be using vans for transportation, instead of the bus service we have used in the past. Our school hours will be from 8:00 am to 3:15.

The anti-bullying program will continue this year. Emphasis will be in weekly class meetings and will tie in with Catholic virtues of respect, mercy, justice, and grace. The focus will be on the Catholic virtue of courage and how we can live in a life of grace in today's society. This year as a school, we will look at the virtue of courage. This means many things to many people.

### OVERVIEW OF THE VIRTUE OF COURAGE

Courage, also known as bravery, fortitude, will, and intrepidity, is the ability to confront fear, pain, risk/danger, uncertainty, or intimidation. We will be helping students work with "moral courage." "Moral courage" is the ability to act rightly in the face of widespread opposition, shame, scandal, or discouragement. The virtue of courage helps us take the initiative to make changes in our lives and accept the challenges brought before us.

Students will wear their anti-bullying shirt or their shirt with the Catholic virtue on Thursdays to reinforce the program.

Sports activities will be available throughout the year. Students in grades 4-8 will be able to participate in archery. The PAL program will be sponsoring this league. Fall sports include volleyball and cross country. Basketball will be available for girls and boys in grades 5-8 throughout the winter. In the spring, we will have track for students in grades 5-8. During each season, there will be consistent plans to ensure the safety of those involved in response to the COVID-19 crises.

The annual Home and School Raffle will begin in August. This is a significant fundraiser for the school, and the money raised goes directly back into the school to help with facilities and other student needs. Last year the money went to help purchase more interactive TVs, additional cameras, subscriptions to educational material, and other items used to help with the instruction of our students.

We have many wonderful volunteers who help keep the school running smoothly. Several committee members need to be recognized, and they are as follows: Home and School officers are Amy Ames, KC Dahl, Jill Rikard, and Rachel Robinson. This year the School Advisory Board members are Courtney Brandt, Angela Heckman, Jamie Bish, Megan Russell, Amber Leivian, Rheannon Jahnsen, and John Klebba.

Information concerning upcoming events and other important news can be found on the school webpage at [saint-george-parish.org](http://saint-george-parish.org). We are looking forward to the 2020-21 school year!

## New playground for Sacred Heart Students

Welcome back to school! We look forward to seeing all of our returning students and parents, and we offer a warm welcome to our new prekindergarten and kindergarten students and the families joining our Sacred Heart School family for the first time.

The administration and faculty are meticulously working on the school's plans in order to formulate scenarios that will have the safety and well-being of each student at the center of all that we do. The faculty and staff are committed to providing an excellent education in each type of learning environment that we may be in this year due to the continued pandemic.

First of all, we wish to thank the parents and students who helped to get the school's new playground ready for the school year. Your generous gifts of time and service are very much appreciated.

New to the staff of Sacred Heart School this year will be Mrs. Erin Fick. Mrs. Fick will work with the students in the area of physical education. Mrs. Fick is working towards a bachelor's degree in education. We are so excited to welcome her to Sacred Heart!!

## Small classes equals individualized learning at St. Mary's

St. Mary School in Frankenstein, Missouri will begin the 2020-2021 school year Wednesday, Aug. 12, 2020. We currently have 28 students enrolled. In addition to our three full-time teachers, we have one part-time classroom teacher, a principal who teaches part time, three part-time teachers for religion, art and music, and many volunteers.

We welcome Mrs. Sharla Buthod to St. Mary School as our part-time religion teacher. Mrs. Valerie Troesser will return as a part-time teacher in the first and second grade classroom along with Mrs. Janice Markway, Principal. Mrs. Rankins will be teaching third and fourth grade again this year, as well as P.E. Mrs. Theresa Uthe is returning for her 21st year as the fifth and sixth grade homeroom teacher, and she will also be teaching language arts to the seventh and eighth grade students. Mrs. Kathleen Kloeppel will again be the seventh and eighth grade homeroom teacher, as well as teaching math and science to the fifth and sixth grade students. Sr. Claret Feldhake will again be our art teacher, and Mrs. Marlene Kuster is returning as our music teacher. After a few years in retirement, Mary Beth Peters is returning as the cafeteria manager. Mrs. Rae Jene Mantle will also be cooking with Mary Beth. Mrs. Janice Markway is the principal, and Fr. Colin Franklin is the pastor and spiritual director.

Our school is small, but our academics are huge. Having small classes allows for

individualized instruction which enables our students to reach their potential and excel. As our previous pastor, Fr. Dan Merz said, St. Mary School offers "professional homeschooling". Some of the extras we offer include keyboarding for grades 1 – 8, pre-algebra for 7th grade students, and algebra for 8th grade students. Each of our students have their own Chromebook for classroom activities and assignments, and each classroom also has a set of iPads. All of our students get to participate in the Fast ForWord program, and IXL which are a personalized learning programs for students. We also have an archery club for students in grades 3-8. If you would like information or would like to enroll your student, please contact Mrs. Markway at 573-897-2587 or 573-690-2114. You can also email her at stmarymo@gmail.com.

We are so excited to get back into the classroom with our students and we are praying for a full year of learning at school.

## Students' learning at forefront of decisions

Welcome to Fatima Elementary! I hope your extended summer has been enjoyable. Hopefully all students will return to school refreshed and ready to learn. I'm sure they will come back to school with lots of stories and adventures to share. The beginning of a new school year is always an exciting time and I can't wait to begin my second year here at FES!

The entire staff has been working hard throughout the summer getting ready for the new school year. As we all know, we are in uncertain times so it has been a bit of a challenge when thinking about what the fall is going to look like for students and staff. There will no doubt be some changes. However, we will do our best to put the students' learning on the forefront of our decisions and we will get through this together.

When you return in August, you will recognize most of the staff. However, we have one new teacher, Amy Rush, joining our team. She will be joining our second grade team. We are very excited to have her at FES. We have a couple of position changes as well. Renee Ellingsworth will now be teaching sixth graders and Tina Paschal will be our new librarian.

Our open house will be held on Thursday, Aug. 13, from 5:30 to 7:30 p.m. All teachers will be in their classrooms throughout this time to meet with students and parents. You are free to come at any time during these two hours to drop off school supplies, meet your child's teacher, take care of any business in elementary office, etc. As you arrive just come on in the front doors and head straight to your child's classroom. They will be prepared to answer any questions you may have and provide you with information you will need for the 2020-2021 school year.

The first day of school will be Monday, Aug. 17. Please put these dates on your calendar. If you have any questions please contact me via email. The elementary office will open again Aug. 3.

# Additional Chrome books to be purchased for students

Welcome to the 2020-2021 school year!! The faculty and staff at Holy Family School are looking forward to learning with your children throughout the upcoming school year. As we move closer to Holy Family's start date of August 18, the administration and faculty are diligently working on as many different scenarios that we can think of in order to prepare for the learning that will take place as we continue to move through this pandemic. In each of the scenarios that we have developed, we are following the direction and guidance of our local county health department. Holy Family's response to the pandemic can be found listed on the school's website. We assure you that at the center of each of these plans is the safety and well-being of each of our students as well as maintaining the academic excellence that we continue to strive for.

Holy Family School is very excited to welcome Miss Sarah Trandahl to our school

family. Miss Trandahl comes to us from the state of Minnesota. She moved to central Missouri last winter and has substituted in several area public and Catholic schools. She comes with a lot of enthusiasm and has many exciting things planned for the first and second grade students in the areas of technology, creative writing, science and social studies. We also welcome Mrs. Gayla Bauer to Holy Family as an aide to the preschool room. Mrs. Bauer loves kids and has had a variety of experiences working with children.

Returning this year will be Father Bill Debo as the pastor of the parish and school. The kindergarten teacher this year will be Mrs. Ericka Wieberg. Mrs. Angie Woodruff will return in her role as an assistant principal and will help with administrative duties as well as teach 1st and 2nd grade classes this year primarily focusing on language arts while Sister Linda Maune will work with

the first and second grades in the areas of math and religion. Mrs. Jennifer Baumhofer will return as the third and fourth grade teacher, and Mrs. Dani Perrey will resume her role as the fifth and sixth grade teacher. Mrs. Mary Locker will be teaching part time this upcoming school year and will focus on teaching science and math to the junior high students. Mrs. Berhorst will return and work with the junior high in language arts as well as religion and social studies. She will also work with the third graders in reading. Mrs. Mary Holterman will be returning to instruct the students in the area of art. Mrs. Poettgen will be part-time this year and focus on music with the students. Mr. Taner Helton will be leading the students in P.E. Lunches will be prepared by Mrs. Geraldine Wieberg; Mrs. Mary Brandel will be returning as the school's secretary, and Mr. Richard Kempker will return as the school's custodian. Mrs. Reinkemeyer will continue this year to focus on administrative duties at both Holy Family and Sacred Heart Schools.

In order to continue to further the students' knowledge with the use of technology, additional chrome books will be purchased this year. The school is including the third and fourth grade students to work with the Google Classroom platform for submit-

ting assignments and storing resources for future use. The school is also in the process of adding fiber to maximize the opportunities that come with using technology in the classroom.

Back to School folders will be placed in the back of Holy Family Church the weekend of Aug. 1-2. Parents are welcome to bring in school supplies on the evening of Aug. 12. We ask that parents A-H try to arrive at 5 p.m., I-R at 5:30, and S-Z at 6 p.m.. If the date of Aug. 12 or the times do not work with your schedule, please contact the school office to make an alternate appointment. School shirt orders will also be available for pick-up. Parents may pay for their orders then if they have not already done so.

A parent meeting and/or classroom meetings will be held on the evening of Aug. 26 to explain the reopening strategies and learn about the plans and procedures in your child's classroom. Your assigned times to come will be in your Back to School packets. If the time that you are assigned does not work with your schedule, please contact the school office.

The opening day of school will be Tuesday Aug. 18.
